Objective

Has an open mind and a flair for interacting with people from diverse backgrounds. A responsible and self-reliant individual who excels at independent assignments. Aspires to work in an environment that prioritizes collaborative working amongst peers who motivate each other to achieve common goals. Determined to work at a small or medium-sized enterprise where value additions by candidates are openly recognized allowing more significant exposure to refine individualistic skills.

Work Experience

Brototype , Ernakulam

industrial training

I have a keen interest in coding and I joined Brototype where I had the opportunity to upskill myself and kickstart a career in software engineering.

Education

Projects

M.PICK
www.mpick.shop

I created a e-commerce website using nodejs as back-end and hbs as front-end. Also store the data in mongo db and hosted my website using AWS

Phoroworld

It's actually a booking website for booking photographer.With my website different photographers can register and share their captured moments also the user can register they can search the photographer and they can chat with each other also the admin can control the activities.
